This is especially important if we have one of the levels of higher difficulties. This guide contains information about romances: explains step by step how to start an adventure with Keira Metz, Yennefer and Triss. We must avoid exceeding it, since it will limit the mobility of the main character and, at the same time, it can hinder effective combat. All available achievements are described in detail in the Guide Trophous Chapter. The whole to obtain diagrams and all to make the Witcher team are discussed in detail in a separate chapter from the Witcher team.
